VISIT BY OFFICER OF CHILEAN ARMY

Major-General Jose Maria Bari
Paid Unusual Honor at Fort Monroe.

Hampton, Va., October 2.—Major-General Jose Maria Bari, chief of the artillery branch of the Chilean army, and a widely-known officer of his country, spent today on an official visit to Fort Monroe. He was given the unusual honor of a "court salute" by the fort authorities, after which the usual salute for officers of his rank was fired. During the morning General Bari, who was accompanied here by Brigadier-General Erasmus M. Weaver, chief of the United States Artillery, and Major Chamberlain, United States Army, was shown around the big army post, and later witnessed the "war game" in the artillery school. He was the guest of General Weaver at a special luncheon in Hotel Chamberlain, and in the afternoon he saw the target work by the fort artillerymen from the immense twelve-inch guns and at the mortar batteries. He was met at the wharf by the Fort Monroe band, a company of artillerymen, Colonel Ira Haynes, commanding officer, and all full staff.

For the past year Commander Costa and Captain Venezuela, representing the Chilean navy and army, have been undergoing the special course of study at the artillery school at Fort Monroe and General Bari was sent to the United States to officially thank this government for permitting officers of his country to study the artillery system in the big school.

General Bari left tonight for Washington.

NEWS OF SOUTH RICHMOND

COMPLAIN OF STATION

Association Will Investigate Conditions at Southern Depot.

That the Southern Railway Station, South Richmond, is not kept in good order and a regular schedule maintained is the opinion of the South Richmond and Chesterfield Business Men's Association, which, at a meeting in Fraternal Hall last night, appointed a committee to make an investigation. The matter was brought to the attention of the association by complaints from a number of citizens, who say that both the freight and passenger service is below the standard.

The registration question was discussed at length, and a committee was appointed to co-operate with the South Richmond Democratic Club in getting the nonvoters in line. Young men becoming of age, as well as delinquents, will be asked to register.

At the next meeting of the association there will be a smoker. It was decided to hold the meetings hereafter on the first Friday in each month instead of quarterly.

STABBED BY NEGROES

Radolph Ellerson Severely Injured When Employee Cuts Him With Knife.

Angered at a request to do a certain piece of work, John Donnell, colored, twenty-nine years old, drew a knife and stabbed Radolph Ellerson, a clerk employed by the Sowers Distilling Company, shortly before noon yesterday. One of the cuts narrowly missed the jugular vein. The negro, who is being held by the Sowers, was held by R. L. Sowers until the arrival of Officer M. J. Moore, who placed him under arrest. The injured man was treated by Drs. Raymond C. Hooker and S. J. Baker, and taken to his home.

Happening at a time when a number of negroes were in the store, a near riot was caused when Bernard Hatcher, a young colored doctor, attempted, it is alleged, to release Donnell from the custody of Mr. Sowers. Hatcher was arrested by Officer Moore, and later released after his appearance before Justice Maurice in Police Court, Part II, this morning.

From what could be learned, the

MOST SUCCESSFUL FAIR EVER HELD

Annual Exhibition at Fredericksburg Is Record-Breaker in Every Way.

[Special to The Times-Dispatch.]

Fredericksburg, Va., October 3.—The Fredericksburg Fair closed last night, after the most successful exhibition in its history of twenty-seven years. Each day was a record-breaker, and a creditable sum will be left over in the treasury after paying all the expenses, premiums and purses. The feature yesterday was the Confederate reunion, participated in by Mosby's Command. Veterans came not only from Fredericksburg, but from all the surrounding country, including the Appomattock Valley and the Piedmont section. It was the largest reunion that has been held this year in the Eastern part of the State. The rendezvous point was the courthouse in the center of the city. The courthouse was thrown open and the large lawn was utilized.

At the courthouse badges were distributed, and the line formed for the parade to the fair grounds, which left at 10 o'clock, going out the principal streets. The parade was in charge of Colonel E. D. Cole, chief marshal, and assisted by marshals Captain M. J. Rowe and Captain Dan M. Lee and Colonel W. H. Chapman, of Mosby's Command; with the following aides from the surrounding counties: W. L. Jones, Spotsylvania County; R. M. Jones, Stafford; Captain C. R. Smith, Carroll; Dr. T. A. King, Loudoun; John G. Terrell, Orange; E. H. Willis, of Culpeper, and W. A. Rose, Fauquier. The line was headed by a brass band from Washington, and the two United States Cavalry troops which had been given exhibition at the fair under command of Captain C. W. Moses. The troops were I and K of the United States Army, one company with all black horses and the other all bay horses. Mosby's Command was in line, Maury Camp, of Fredericksburg, veterans from the surrounding section on horseback, others on foot, and a band and inform being carried in automobiles, which were proffered by the automobile owners of the city. The line was a very impressive one, showing the life and vigor of the present United States Army service in contrast with some of the more decrepit veterans who wore the gray, and fought valiantly on the fields of battle fifty years ago.

Interesting Exercises.

Arriving at the fair grounds, the program of exercises took place on the grandstand, being presided over by Judge John T. Goodrick, and consisting of the following: cornet solo, invocation, singing, "Tenting To-Night," by Mrs. J. B. Proctor, Miss Nora Trolan and Charles E. Wright; recitation, by Miss Nellie Perry, music by the band, reading of General R. E. Lee's farewell address, by Rev. R. A. Williams, D. D.; singing of the reunion song, "We Are a Band of Brothers," to the tune of "Old-Time Religion"; music by the band, singing, "Praise God, from Whom All Blessings Flow." The exercises then closed, and the veterans all repaired to the point near the main building which had been set aside for that use, where a splendid dinner was served by the committee of women of Fredericksburg, many of whom are members of the organization of Daughters of the Confederacy and others granddaughters of the Confederacy.

The reunion was a great success in every particular, and it was enjoyed not only by the participating veterans, but by the citizens generally, and by the younger generation of our people.

MEETING OF MOSBY'S MEN.

More Than Sixty Attend Reunion at Fredericksburg.

Fredericksburg, Va., October 3.—Mosby's men met here in annual session yesterday with Colonel W. H. Chapman as president and Edward Shacklett as secretary.

More than sixty were present. Mayor J. P. Rowe delivered an address of welcome, which was received with great enthusiasm. After a routine business the following officers were elected:

Royd Smith, Mineral, commander; Colonel W. M. Chapman, Richmond; Charles Brider, Luray; Frank Palmer, Richmond; Lieutenant commander Bartlett Bolling, Charlottesville; sergeant-major, Edward Shacklett, Delaplane; secretary, Rev. Frank Strother, chaplain.

The command participated in the Confederate reunion at Fredericksburg Fair yesterday. Charlottesville was selected as place for meeting next year.

trouble resulted when Mr. Ellerson told Donnell to move some beer kegs. Hot words passed between the two. Donnell ending the argument by slashing the clerk with a sharp knife. He stabbed him in three places, first making a long gash in his side just under the arm. He followed up his first attack by cutting his victim on the arm and neck, the last blow barely missing a vital artery. Mr. Ellerson was reported to be improving last night.

Swansboro Dedication To-Day.

Dedication exercises of the new Swansboro School will be held this afternoon at 3:30 o'clock. R. C. Stearnes will be the principal speaker. Hibles will be presented by Dr. Douglas Freeman on behalf of the four fraternal orders of Swansboro. Thomas H. Fry will present the flag and emblem of Virginia. Evan R. Chesterman and Commonwealth's Attorney Haskins Hobson are to make addresses. The Blues Band has been engaged for the occasion, and the children will sing school odes.

Bullet Fired at Police Station.

Captain A. S. Wright, of the Third Police Station, is puzzled to find who fired a shot through a window of his office yesterday afternoon. Fortunately no one was in the room at the time, but the crash of the bullet could be distinctly heard in the adjoining room. A small hole in the top of the window and some shattered glass on the floor are the only clues on which the police have to work.

Pays for Stolen Jewel.

Thomas A. Webster was dismissed by consent of the complainant, Mrs. M. F. Whitlock, of Woodland Heights, when arraigned before Squire L. W. Cheatham yesterday on the charge of the theft of a gold bracelet. Webster paid for the jewel before he was brought to court. Squire Cheatham severely reprimanded Webster, and told him if he was again arrested on a similar charge he would go to the roads.

Cutting Case Continued.

Owing to the condition of the complainant, the case of Wilson Fleming, charged with assaulting Eggleston, a young boy, and with cutting Jeffery Austen, his companion, was continued yesterday by Squire Cheatham in Swansboro Magisterial Court. The affair occurred on September 25, when Fleming is alleged to have attacked Eggleston following an argument. When Austen interfered Eggleston is said to have slashed him with a knife.

Services at Decatur Street Church.

Services to-morrow morning at Decatur Street Methodist Church will be conducted by Dr. T. McN. Simpson, presiding elder of the Richmond District, and the holy sacrament will be administered. Rev. William J. Young, D. D., pastor of Centenary Methodist Church, will preach at the night service. N. Courtice Scott, the new teacher of the Bible class, will take charge of the class for the first time.

Satchfield Arrested for Assault.

Taylor Satchfield, nineteen years old, was arrested last night on the charge of assaulting Fletcher Hawthorne, following a quarrel in which some heated words were exchanged. Satchfield is alleged to have knocked Hawthorne down and kicked him. The victim of the assault was badly injured, and was taken to his home. Satchfield was before the Police Court about a month ago on the charge of participating in an assault on County Officer John A. Berryman.

Civil League Meets.

Several questions of interest were taken up at a meeting of the Forest Hill Civil League yesterday afternoon. Plans were formulated for the coming year, and a complete reorganization was effected. It is the intention of the league to do some work of public sanitation, such as had crossings, sanitary stables and standing pools of water.

Suit Brought by Father.

In the report yesterday of the damages sustained in the Hasting's Court, Part II, against the Chesapeake and Ohio Railway for the death of W. W. Newton, it should have been stated that the suit was brought by Leroy E. Newton, father of the victim.

Personal and General.

J. R. Perdue, member of the Board of Aldermen, who has been confined in the Johnston-Willis Hospital for nearly two weeks, was reported yesterday as being very much improved.

Squire L. W. Cheatham announced yesterday that he would hold no court on next Friday, on account of fair weather.

When arraigned before Justice Maurice yesterday on the charge of cruelty to animals, Joe Trumbull, a Southside barber, was dismissed. Trumbull is alleged to have cut a dog's tail.

J. T. and H. S. Willard have returned home from Mecklenburg County, where they visited their father.

News of Petersburg

The Times-Dispatch Bureau,
5 Bollingbrook Street,
Petersburg, Va., October 3.
(Phone 1485).

The laying of the cornerstone of the Y. M. C. A. building, which had been scheduled for this afternoon, with Vice-President Marshall as the principal speaker, was postponed until Tuesday afternoon next, because of the announcement at a late hour last night that the Vice-President would be unable to come to Petersburg to-day, as he had promised. The following telegram, addressed to Secretary William M. Martin, of the Chamber of Commerce, was received shortly before midnight:

"Washington, D. C., October 2.—The necessity of being here to sign the tariff bill to-morrow will prevent my coming. Didn't anticipate this difficulty until this evening. Have sought a vain for a substitute. Only imperative public duty induces me to disappoint you."

"THOMAS R. MARSHALL,"
Secretary Martin at once called up Secretary Walsh, of the Y. M. C. A., and notified him of the receipt of the telegram. Together they consulted the committee in charge of the cornerstone exercises, and it was decided to communicate with the Vice-President, to ascertain what time he could come to Petersburg to fill his engagement. Mr. Marshall was reached after midnight at his hotel. He expressed sincere regret at the unforeseen obstacle that had prevented his coming to Petersburg to-day, and gladly agreed to come next Tuesday, if the exercises could be deferred until that time. The postponement was agreed to, and it was after 2 o'clock this morning before the matter was finally settled.

In compliance to the Vice-President, who was expected to-day, many of the business houses in the city were handsomely decorated. The metal box to be deposited in the corner-stone has been filled with a great variety of articles covering local history.

THINKS "SWEEP" A FAKE

Dr. Owen Is Fooled in Search to Establish British Bard as Bard.

Orville Owen, of Detroit, who in 1911 made an extensive search of the bed of the River Wye for Shakespearean manuscripts, or documents without success, again is here seeking documentary proof that Bacon wrote Shakespeare's works.

A "Chesapeake chimney sweep" sent word to Dr. Owen in the United States that when the doctor was excavating the river bed he himself had discovered documents, including a letter relating to the controversy. Dr. Owen crossed the Atlantic and offered the sweep money for his secret. They came to no satisfactory arrangement, and the investigator now has withdrawn his offer, saying he had discovered that the sweep had no information to give.
